Mission/Church Assistance Fund for SBC Churches from GuideStone Financial Resources:

If you are the pastor of a Southern Baptist mission or church and your annual church budget receipts are less than \$75,000, you may be eligible to receive additional retirement account contributions. Qualifying churches may receive \$3,000 in retirement contributions over 60 months (five years). This program works in conjunction with the [Church Retirement Plan](#).

If you are already participating in the Church Retirement Plan and qualify for this program, contact us. You will need to tell us the total mission/church annual budget receipts and your personal annual salary including housing for us to get you started.

If you are not participating in the Church Retirement Plan and qualify for this program, you can view [the retirement plan](#) or [enroll now](#).

The Mission/Church Assistance Fund contributions are made possible by a gift from the Wyndolyn Royster Hollifield family.
