

Is your RA Chapter Bonafide, Certified & Registered?

In just a few minutes, you can have your RA Chapter “Registered, certified and bonafied.”

Why?

By providing a small amount of information about your church, RA chapter and Leader, your state Royal Ambassadors office can:

- Send you a certificate worthy of placement on a wall in your RA room.
The certificate has a place for you to list the names and leaders of the current year. It has a place for the chapter name of your group. A separate certificate is available for each group.
- Place your contact information in our data base. (We can mail to as many names as you give us.)

And then what happens . . .

You will begin receiving, via e-mail and regular mail, information on events that you and your RAs might decide to be a part of. You will be kept up-to-date on RA materials.
